## BENEFITS OF WOODEN FURNITURE

Even though technology and industry already contribute alternatives on furniture, wooden furniture always makes the most favorite choice for buyers. People will love to have outdoor and indoor furniture made of nice wood. This trend also attracts many entrepreneurs to make their own designed wooden furniture. It is not without reasons. There are significant benefits of wooden furniture we will really like.

Here are the benefits:

#### 1. Gorgeous Natural Look

Wood has beautiful pattern and lines. It is naturally beautiful already. It explains why the finishing is made to show the beauty as well. It's nice.

#### 2. Resilient and Strong

Wood is already naturally strong. Such durability will be reliable even on high duties as well. It means you do not need replacement very soon.

#### 3. Easy to Clean

All you need to do to clean it is just wiping it. For stain, you may need cleaning product, but it will be simple and easy.

#### 4. Outstanding Décor

Being nice and excellent naturally, your wooden furniture will make nice focal points and décor where all eyes will look at. It has authentic and antique style.

#### 5. Worthy Investment

The price can be high especially the good one. However, it will make long lasting and smart investment. You get the beauty, quality, and comfort all at once.

#### 6. Eco Friendly

The material is not damaging the environment like plastic. The tree grows fast, and you do not have to worry about environment side effect from it.

Acknowledging that wooden furniture can be very beneficial to all buildings, and you already know the entire benefits, we have no more reasons not to use wooden furniture. Of course, we need to make sure that we purchase only one with the best quality. Just make sure that you will be keen in quality checking.

DO NOT use alcohol based products or spray polisher as they can damage the finish. Dust with soft cloth. One to two times monthly apply polish as needed. Finish can be affected by heat or extended contact with oils or wine.

KEEP AWAY from fire.
